News from our Members

Denise with Roxy, Stormy, and Walter

Roxy passed her annual temperament test for faithful friends so she can continue to visit southeast memorial and chase tennis balls in inpatient physical therapy and read with the kids. Only a couple of more hours needed for her TDX.

Laura with TJ

T.J. turned 8 years old in April, and we celebrated by earning his Excellent JWW title at our April trial. So, he is now in Masters everything. We may not conquer the agility world together, but he has taught me so much about patience, perseverance, expectations, the importance of listening to your dog, and just working with the dog in front of you.

Lori with Paco and Zoe'

Introducing MACH Regal Point Perfecta Comes Once. Paco earned his MACH in Belton at the BCKC agility trial April 5, 2024. He also competed at the NAC in Perry, GA and had a clean run in standard. At the April NACDA agility trial he earned enough points to qualify for the 2025 NAC.

Regal Point Pawley's Atalaya, Zoe', added the title MX to her name. She had 8/10 clean runs with a perfect day qualifying in 5/5 runs on Sunday at the NACDA trial in April. She does not want to be out done by her brother!

Both dogs had fun posing for our beach themed Photo Booth at our April trial.

Amanda with Lilly

We have been busy with Agility this year. January at the CPE trail we earned a special flamingo award for having a perfect score in Snooker. February at CPE Agility we got our C-ATCH. This is the equivalent of getting a MACH in AKC agility.

These next few months will be focused on getting our Freestyle routine practiced for the NRG Dog Show
